# TUSCANY

## A CYCLIST'S PARADISE

Riding in Tuscany blends quiet roads with panoramic views of undulating countryside draped in swathes of sunshine. It's the perfect playground for cyclists looking to discover their limits and then push them further. You'll wind through olive groves, linger over coffee stops, descend into vineyards and cycle your way to a hearty appetite.

# BORGOLECCHI

## CASA DOLCE CASA, HOME SWEET HOME

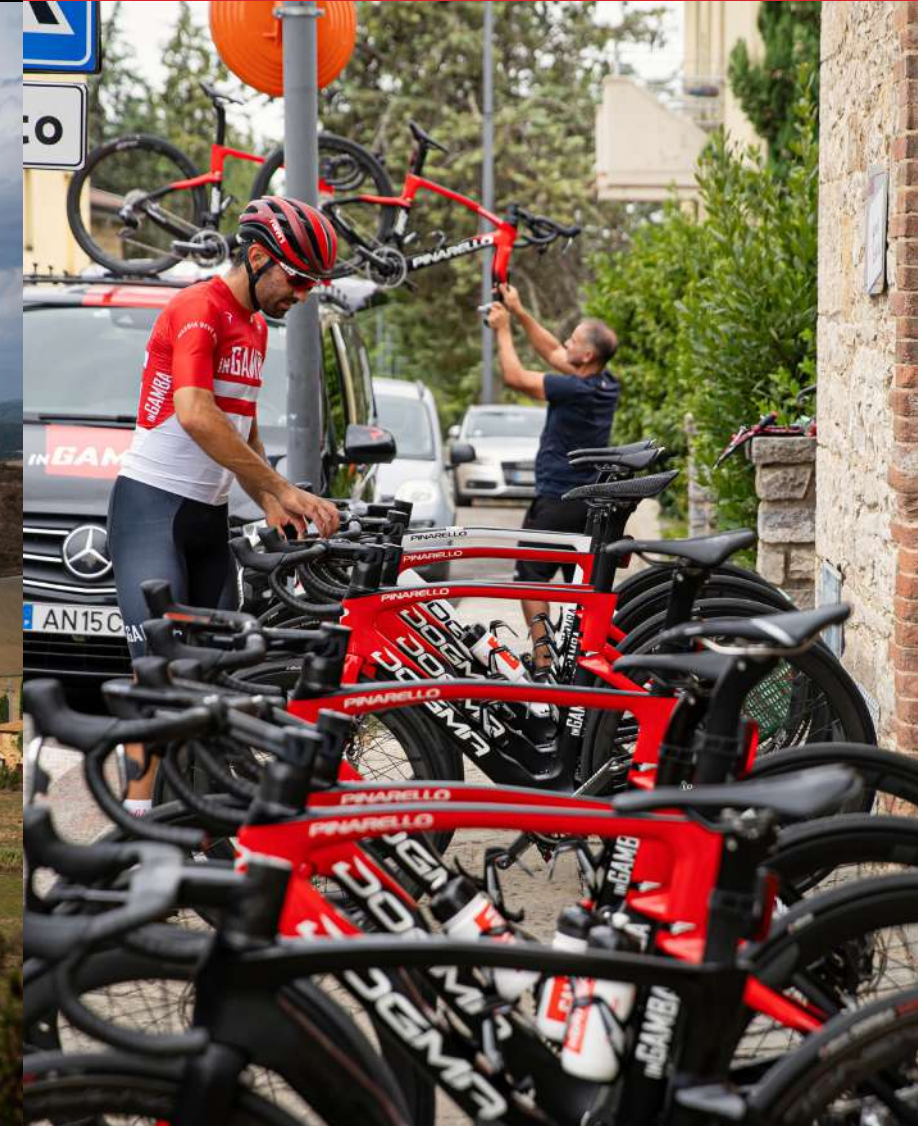

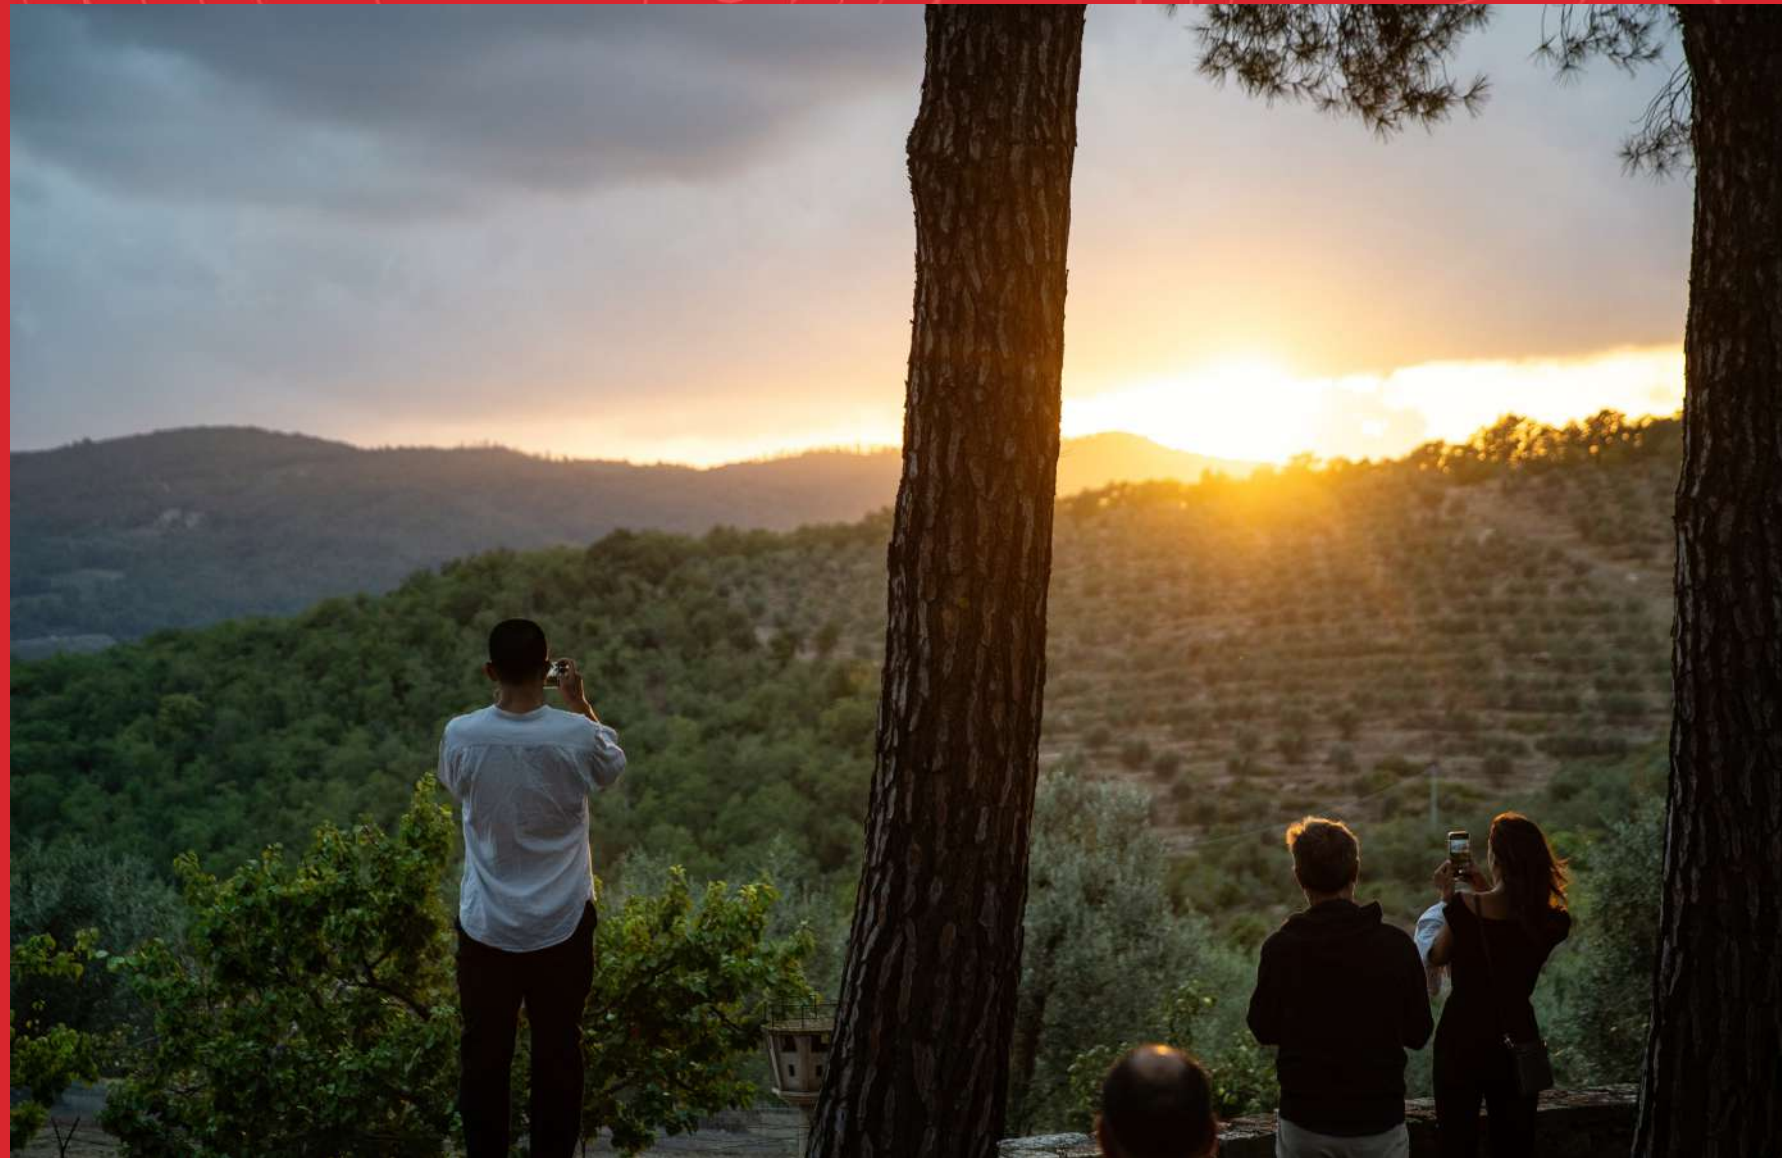

Wherever you come from in the world, you'll immediately feel at ease in this idyllic little corner of Chianti, famous for its rich culinary traditions and its delectable wines. Our Bed and Breakfast is an escape from the stresses of modern life, a safe haven of calm, casual comfort and smiling faces surrounded by rolling countryside and picturesque vineyards. Yes, the stone building dates back to the 15th century, but that's only part of what makes it special.

From the simple elegance of the décor, the cosiness of our newly-refurbished rooms and the attentive service that will remind you more of a five-star hotel than a B&B, a stay here is guaranteed to be a revitalising, relaxing and unforgettable experience.

If you want to discover the real Tuscany, and if you enjoy effortless charm and value substance, Borgolecchi is for you.

# PORTUGAL
